

NovaTech Solutions — Expense Reimbursement Policy

Version 2026

1. Eligible Expenses

Employees may claim reasonable business expenses including approved travel, accommodation, meals during business travel, and other expenses authorized by their manager.

2. Receipts

Receipts or other valid proof of purchase must be submitted for reimbursable expenses. Claims without supporting documentation may be rejected.

3. Submission Deadline

Expense claims should normally be submitted within 30 days of the expense date.

4. Travel Expenses

Economy-class travel is the standard for domestic business travel. Higher-cost travel requires prior written approval.

5. Approval

All expense claims must be reviewed and approved by the employee's manager before reimbursement is processed.
